GERMAN STATION PLUNDERED.

Miszummissum.

Berlin, July 31.—An official report from the governor of Cameroon was received, today by the colonial division of the foreign office concerning the affair on the French Congo frontier. It says that Senegalese soldiers forcibly closed the German station at Miszummissum and plundered merchandise, Captain Scheunamann, who was at the time in the southern part of the district was shot on his march to Miszummissum by French Senegalese troops and the Germans returned the fire, killing five and capturing four.

The case of Mark Kunkel, appellant, against the Utah Lumber company and charles E. Murphy, respondents, was reversed and remanded by the supremo court yesterday, the opinion being written by Justice Straup and concurred in by Chief Justice Bartch and Justice McCarty,

This was an action brought by Kunkel for the wrongful entering upon his premises and removing a dwelling house belonging to him. Kunkel claimed to be the owner of certain lots in Salt Lake upon which he had constructed one dwelling and was constructing another. The property had a valuation of \$4,000 and a rental value of \$400 a year. He had given a mortgage on the property for \$850, and also owed about \$1,350 for labor and materials used in constructing the buildings. But he had made arrangements to borrow a sufficient sum to pay off his indebtedness.
